SUMMARY OF THE OFFERING**

This summary is provided for the convenience of potential investors. It should be read along with the more complete statements made in this Offering Circular.

The Iowa United Methodist Church	The Iowa United Methodist Church Building Fund Trust is a trust created Building Fund under the laws of Iowa exclusively for religious purposes to promote the construction and renovation of Iowa United Methodist Churches and affiliated entities through a building loan program. The Trust is sponsored by the Iowa United Methodist Foundation, with principal offices at 2301 Rittenhouse Street, Polk County, Des Moines, Iowa 50321. The Foundation is an Iowa non-profit corporation and is an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended.
Building United Methodist Churches	In May 2001, the Trust began making loans to build United Methodist churches and affiliates entities. Loans will be made for new construction, renovation projects, property acquisition and development, and refinancing debt.
Participation by United Methodists	The sale of Certificates of Participation allows United Methodists to help make capital available for loans to build churches and otherwise advance the mission of The United Methodist Church.
Certificates of Participation	Individuals, churches, related agencies and active or retired clergy (and spouses) of the Iowa Annual Conference of the United Methodist church may purchase Certificates of Participation as investments that bear interest at the rate declared from time to time by the Trustees of the Trust. Individuals must reside in Iowa and be a member of or regularly attend an Iowa United Methodist Church.
Interest and Maturity of Certificates	Certificates of Participation mature in terms of one to five years. Investors may elect to have their interest distributed quarterly, annually or may be rolled into the certificate principal. The principal investment can automatically renew at the then current interest rate set by the Trustees; however, the Trustees may choose not to permit renewals, at their discretion.
Tax Aspects	Interest paid to investors is ordinary income for tax purposes.
Repayment to Investors	The proceeds from the sale of Certificates are deposited into a fund to make loans to churches. Repayment to investors depends on the repayment of the loans by the churches. The Trust will maintain reserve funds to offset the potential of a church defaulting or withdrawals by Investors in amounts greater than anticipated.

Risks	<p>The Certificates of Participation represent undivided beneficial interests in the Trust. They are unsecured and uninsured. The building loans will have terms which exceed the one to five year maturities of the Certificates of Participation. Therefore, the Trust may not have liquid assets to redeem Certificates at maturity unless a large percentage of the purchasers elect to renew their Certificates for additional one year terms. The rate of interest declared by the Trustees on any such renewal could be significantly less than the initial rate received by the purchaser. If a church or churches default in paying a loan, there is no assurance that the collateral for such loan will be sufficient at that time to recover all or any of the loans. In this event, a purchaser could lose the entire amount invested in his or her Certificate of Participation. Historically, no Iowa United Methodist church has defaulted on any loan, but past events are no assurance of future performance, and defaults are possible.</p>
Criteria for Loans	<p>Loans are approved on the basis of repayment ability according to the church's financial history, funds on hand and the collateral to be pledged. Loan amounts are generally limited to 70% of the project costs with a five year maturity date and a 15 year amortization schedule for the loan. It is anticipated that such loans would be renegotiated every 5 years.</p>
Financial Condition	<p>The Trust's assets consist of the proceeds received upon the sale of the Certificates of Participation, the loan receivables for the church loans, reserve funds invested in money market funds, U.S. Treasury Bills and other high quality cash equivalents, U.S. government and U.S. government agency bonds, bonds and preferred securities issued by corporations that are rated "BBB" or better by Standard & Poor's rating services at the time of purchase and no lower than one grade lower at anytime. None of the assets of the Foundation will be legally available for repayment of any Certificate of Participation. The records and financial statements of the Trust will be audited annually by the Trust's independent accountants and a copy of such audited financial statements will be made available to all purchasers of Certificates of Participation.</p>
Investment Application	<p>After reading the Offering Circular, investors may make application to purchase Certificates of Participation by mail or in person at the Iowa United Methodist Church Building Fund Trust, 2301 Rittenhouse Street, Des Moines, Iowa 50321.</p>

CERTIFICATES OF PARTICIPATION
Building United Methodist Churches

SECTION 1 – RISK FACTORS

In evaluating an investment in the Certificates of Participation, Investors should consider carefully, among other things, the following risk factors, as well as other information contained in or incorporated by reference into this Circular.

There is a possibility that a Purchaser of a Certificate of Participation would not be repaid on the maturity date, in whole or in part.

The Certificates of Participation represent undivided interests in the assets of the Trust. They are unsecured and uninsured, and there is no guarantee that all or any of the interest or principal amounts thereof will be repaid. The assets of the Trust will include only the proceeds of the sale of the Certificates and the loan receivables from the church building loans. While the building loans will be secured by mortgages, there is no assurance that the value of any property subject to any such mortgage will be sufficient to affect a full recovery of the amounts owed to the Trust. The purchasers have no direct interest in any of the mortgages or the assets of the Trust.

In addition, the building loans will generally mature every five years and will be subject to renegotiation at such maturity dates. The loans are amortized on a fifteen year basis, which means that a significant balance will remain unpaid at the five year maturity date. The Certificates of Participation having from one to five year maturity dates are subject to renewal at the election of each investor. However, unless most of the investors elect to renew their Certificates beyond their maturity dates, the Trust will not have sufficient cash to pay investors the principal amount of their Certificates.

None of the assets of the Foundation will be legally available for the payment of any of the Certificates of Participation. Repayment of the Certificates will be made only from the assets of the Trust.

Upon any renewal of a Certificate of Participation after the maturity date, the declared rate of interest for such renewal period could be significantly less than the initial rate.

The rate of interest on the Certificates of Participation is determined by Trustees, in their discretion. Such rate is established on Monday of every week and may be modified without notice based on market conditions for new issues of Certificates or renewals of Certificates. While the intent of the Trustees is to declare a rate which is similar to rates available on similar investments there is no assurance that such rate will be the same as any other rate available on other investments and the rate may in fact decline significantly.

No investor will have any voting rights with respect to the Trustees or any other aspect of the Trust

Holders of the Certificates of Participation have no voting rights, including with respect to the appointment, removal or replacement, or the increase or decrease in the number of Trustees.

Restrictions on Transferability and Absence of Market for the Certificates of Participation

The Certificates of Participation are not transferrable may not be sold, gifted, pledged or hypothecated by the holders thereof under any circumstances, except upon the death of a holder in accordance with the laws of descent and distribution.

SECTION 2 – THE TRUST

The Iowa United Methodist Church Building Fund Trust is a trust created under the laws of Iowa a declaration, dated as of April 16, 2001, executed by the United Iowa Methodist Foundation as Sponsor and by the Trustees. The Trust exists for the exclusive purposes of issuing the Certificates of Participation, using the proceeds from the sale of the Certificates to make loans for building or renovating United Methodist Churches in Iowa (or refinancing such loans), purchasing real property as building sites for such Churches and engaging in only those other activities necessary, or incidental thereto. Accordingly, the church building loans and reserves held from the proceeds of the sale of the Certificates will be the sole assets of the Trust, and payments under the church building loans will be the sole revenue of the Trust.

The Trust has a term of 20 years, but may terminate earlier as provided in the Declaration. The Trust's business and affairs will be conducted by the Trustee. In no event will the holders of the Certificates of Participation have the right to vote to appoint, remove or replace the Trustee. The duties and obligations of the Trust and the Trustee are governed by the Declaration. The Trust will retain from its revenues an amount up to 1% per annum of the fair value of the assets of the Trust to pay all fees, expenses, debts and obligations (other than the Certificates of Participation) related to the Trust and the offering of the Certificates of Participation, including ongoing costs, expenses and liabilities of the Trust.

The initial Trustees of the Trust were appointed by the Sponsor, and include five individuals who presently also serve on the Board of Directors of the Iowa United Methodist Foundation. The Trustees may be removed and replaced by the Sponsor.
