

Five ways

to help your students get the **MOST** scholarship money for the 2020-2021 school year

1. Direct them to <https://iumf.org/scholarships>.
2. Have them read through criteria of scholarships relevant to them. We have scholarships designated specifically for high school seniors, students going to non-Methodist colleges, students going to United Methodist colleges and students going to seminary.
3. Stress the importance of taking the time to write a thoughtful essay that will answer the question and capture the reader's attention. Often times, it is more about what you write than how well it is written.
4. Make sure they submit a completed application through the online portal before the closing date, March 1, 2020.
5. Have your church set up a scholarship fund designated to go specifically to students from your congregation.
