

IOWA UNITED METHODIST FOUNDATION

Clergy Tribute Program

*Helping others follow in
our footsteps...*

How it works:

1. Participants pledge to give in memory of our dearly departed clergy by completing the *Clergy Tribute Covenant* form. The amount given can be the same annually, quarterly or (most common) an amount per clergy member.
2. The Foundation keeps track of death notices (sent by the Conference) and sends quarterly reminders to participants via mail or email.
3. Participants mail a check or donate using our online giving service. All funds are deposited into the Clergy Tribute Scholarship Fund.
4. The Foundation annually awards the Clergy Tribute Scholarship to a seminary student who is working toward ordination with plans to continue their ministry in Iowa.

Please consider joining this covenant. It pays tribute to chapters of ministry now closed, while opening doors for future generations to continue their work. **Together we can make a difference.**
