LEAVING YOUR LEGACY: Planned Giving

WHY GIVE?

By supporting the mission of your church, you help ensure that the ministries that have meant the most to you during your lifetime will continue into the future!

A planned gift may also provide substantial tax advantages. Potential benefits include:

- Income tax deduction
- Reduced capital gains taxes
- Reduced probate and estate costs
- Income for life

Giving to the United Methodist Church can take many forms and Iowa United Methodist Foundation encourages donors to explore the ways that are best for them. IUMF is passionate about empowering churches and ministries in Iowa to not just get by, but to thrive. Charitable gifts offer you the opportunity to support your church and the ministries you love. We can help you explore the best way to make your gift, and perhaps help you to make a bigger gift than you thought possible.

IUMF is available to provide confidential consultation and estimated calculations for planned giving. Additional information is available on our website at <https://iumf.org> or <https://iumf.giftlegacy.com>.
